Course Synopsis:

Level Three Hairdressing (Applied Skills) – Hairdressing 12B is the fifth of seven courses in a comprehensive Career Preparation Trades Program designed for grade eleven and twelve students (male and/or female) who have a serious interest in exploring hairdressing as a viable career choice. Upon successful completion of the six learning units of **Hairdressing 12B**, students will have a firm grounding in the applied skills of hairdressing fundamentals including: Trichology; Diseases and Disorders of the Hair, Scalp, and Skin; Advanced Hair Cutting; Introduction to Permanent Waving; Introduction to Hair Colouring; and Client Marketing and Retention.

Organizational Structure:

This entire SD #73 Career Preparation Trades Program is comprised of a total of seven hairdressing courses. All eligible students may enter this Career Program in either grade 11. Students will be expected to complete all seven Hairdressing courses in the order in which they have been laid out in this document. These seven will meet the requirements of the grade eleven and twelve elective courses required for graduation by the British Columbia Ministry of Education, including 120 hours of salon work experience (for full credit as an additional program course). Students enrolled in the Hairdressing Program must achieve 75% or higher on all Hairdressing Program Applied Skills courses and 80% on all Hairdressing Program Practice courses in order to qualify to challenge the CIABC certification examinations. **Students enrolled in this program must also complete all other grade 11 and 12 academic course BC Ministry of Education graduation requirements.**
