

Board Authorized Course

Proposed Course: Drawing and Painting 12

Credit: 2

Hours of Instruction: 60

District:SD73 – Kamloops Thompson

Submitted by: Dawn Aziz

Date: May 18, 2009

School Name: Mr. Michal Safek

BAA Approval date:

Prerequisites: Drawing 11

Course Synopsis:

Students will use the Elements and Principles of art as a Foundation for understanding image development. Students will be expected to talk about or write about their work, and choices made for communicating intent. Greater emphasis will be placed on the development of independent work, self direction, and decision making.

Rationale:

Students will develop creative thinking skills through the creative challenge of each image development assignment.

Organizational Structure:

This course will follow units of study as outlined in the table below:

Unit	Title	Time
Unit 1	Building Blocks for Image Development	10
Unit 2	Cultural Influences and Artistic Intent	20
Unit 3	Personal Expression and Portfolio Development	30
	Total	60

Unit 1: Building Blocks for Image Development

Students will work with the Elements and Principles of Art to understand the basic building blocks that artists use to achieve a diverse range of expression, and communicate a diverse range of ideas.

Unit 2: Cultural Influences and Artistic Intent

Students will look at the work of professional artists to identify how intent determines creative decisions.

Unit 3: Personal Expression and Portfolio Development

Students will be working toward greater independent project development in this unit. Students will consult with the teacher to determine areas of strength and interest. Students will develop the quality of work and develop effective ways of communicating their ideas.

Instructional Components

Assessment for Learning practices are an important part of this course. Lessons will emphasize a combination of any of the following instructional practices:

- Variety of techniques
- Variety of strategies
- Showcase diversity of artistic interpretation
- Self Assessment
