Raven, Raven Listen Now

Raven, Raven listen now
The message has been lost,
I don't know how.
This land is not ours to own.
It's ours to borrow,
So things can be grown.

Please take the message,
Like you brought the light.
Keep our land clean,
Our future in sight.
Thank you, Raven,
Please go now
Please send a message,
To tell us how.

Coyote, Coyote Listen Now

Coyote, Coyote listen now
The message has been lost,
I don't know how.
This land is not ours to
own.
It's ours to borrow,
So things can be grown.
Please take the message,
Like you brought the light.
Keep our land clean,
Our future in sight.
Thank you, Coyote,
Please go now
Please send a message,
To tell us how.
